

NCCER Module 26101-20

Occupational Overview: The Electrical Industry

Section Three

Employee and Employer Responsibilities

Objective

3. Understand the responsibilities of the employee and employer.
 - a. Identify employee responsibilities.
 - b. Identify employer responsibilities.

Performance Task

There are no Performance Tasks associated with this section.

3.0.0 – 3.1.8 Employee/Employer Responsibilities

- Professionals are honest and dependable. They take responsibility for their mistakes and are willing to learn from them.
- Think about difficult situations you have encountered in the workplace. For example, how do you feel when other workers are tardy or goof off? What can you do to help change things?

3.1.9 – 3.2.0 Safety

- Employees must follow all rules for working procedures/practices, report any unsafe equipment and conditions, and wear all appropriate PPE.
- Employers must provide and maintain a safe workplace.

Wrap Up – Trade Term

Occupational Safety and Health Administration

(OSHA): The federal government agency established to ensure a safe and healthy environment in the workplace.
